## SAYS SCHOOLS HERE COMPARE "WITH BEST"

"In many ways, our Gettysburg schools don't have to take a back seat to other school systems of our size in the state or to school systems of any size," Superintendent of Schools H. Edgar Riegle told members of the Gettysburg Joint School Board Monday evening at the board's October meeting.

"We've been doing here for several years many of the things that are now being urged on all schools throughout the state and across the nation," Mr. Riegle pointed out. "We're not too far off the beam on all of Dr. Conant's famous 21 points."

Noting that the Gettysburg schools pioneered several years ago the integrated program for the Seventh grade pupils, he said such a program is now being "pushed" generally throughout the state.

"REAL STRIDES FORWARD"

He also pointed to ability grouping of pupils in the Fifth and Sixth grades and in high school, practiced here for some time, as being in line with the most highly recommended modern practices in education. He also said the accelerated program in math and the sciences and in the foreign languages in high school "show that we have been making real strides forward in the curriculum field."

The superintendent also reported that pupils, parents and teachers seem pleased with the present setup which places Seventh graders in the Lincoln school "although some parents had misgivings at first." He said the benefits of separating junior and senior high school students, indicated by the Lincoln school setup, "are a foretaste of what we may expect when we finish our new building for the senior high school."

Mr. Riegle complimented High School Principal Clifford B. Snowberger and his staff of teachers for "the lower level of corridor noises this year."

**NEW DISMISSAL TIME**

Both Mr. Snowberger and Richard A. Folkenroth, elementary coordinator, made brief reports to the board.

Later in the meeting the board approved plans to dismiss Lincoln School pupils five minutes earlier in the afternoon to reduce a traffic jam at Keelevar school, caused chiefly by private cars and buses trying to get to that school to pick up pupils at the same time.

## FIND WOMAN NOT GUILTY OF ROBBERY

After deliberating for 65 minutes this morning an Adams County jury found Mrs. Janet A. Hale Albright, York, innocent of a charge of robbery.

Mrs. Albright had been accused of taking a pocketbook, containing \$70, from Clayton Stener, Westminster R. D., while the two were in a car in Berwick Twp. Testimony in the case Monday afternoon disclosed that Stener missed his pocketbook when Mrs. Albright, a divorcee, got out of his car, that he went over to her car immediately, then secured a flashlight and searched both Mrs. Albright and her car and failed to find the pocketbook on her or in her vehicle.

The jury was given the charge by the court this morning, after hearing all the testimony Monday. It retired at 9:50 o'clock and returned at 10:55 when Foreman A. S. Kunkel, 140 S. Howard Ave., handed up the verdict.

**TRIAL WITH 11 JURORS**

Trial of Frank Cassarino, Irwin, Pa., truck driver, on a charge of hit and run driving began Monday afternoon and continued through this morning.

Mrs. Gertrude Jones, Gettysburg R. 3, one of the jurors selected for the case Monday afternoon, was excused this morning when it became apparent that two close friends of hers would be witnesses for the prosecution. As a result the trial continued with these 11 jurors: Maurice Gardner, Biglerville R. D.; Mrs. Ella W. Henderson, Gettysburg R. 4; Wilmer Lady, Gettysburg R. 4; Beulah N. Millar, New Oxford; Kermit Paxton, Aspers; W. H. Raffensperger, Orrtanna R. 1; Pauline E. Rinehart, New Oxford; S. Francis Riser, New Oxford R. 1; Julius Schimmel, Hampton; Mrs. M. S. Weaver, 103 W. Broadway, and Harvey White, 619 Baltimore St.

Cassarino is accused of failing

## Plan Workshop For Women Thursday

The first Adams County-wide meeting of cooperative extension workers will be held Thursday from 1:30 to 3:30 p.m. in the YWCA, it was announced today by home economist Mrs. Helen D. Tunison. "Stripes and Plaids" will be the theme.

Miss Thelma Bairel, Penn State specialist, will conduct the workshop consisting of helping homemakers choose fabric patterns, constructing and finishing plaid garments and choosing the right color combinations to wear with stripes and plaids. Mrs. Tunison said that homemakers tend to shy away from plaids because the right color combinations are hard to select. All county homemakers are invited.

## R. K. FOUST IS HONORED BY KIWANIS CLUB

R. Kenneth Foust, proprietor of Kimmie's Market on S. Franklin St., was elected as the next president of the Gettysburg Kiwanis Club at the annual election of officers at the club's weekly dinner meeting at the Lamp Post Tea Room on Carlisle St. He will succeed William Ditzler.

Other officers chosen Monday evening include Roy Thomas as first vice president; James My-

R. KENNETH FOUST

ers, second vice president, and Wayne Clark as treasurer. Ernest Krape, Clyde Markle and Donald Weaver were named to the club's board of directors.

D. Elmer Hawbaker, Mercersburg, was the guest speaker for the evening. He discussed the "Farm Problem" and reviewed its history. He talked of the economic difficulties of the farmer because of technological and social changes and reviewed the government programs for the farmer during the last 25 years.

Dr. George Wolfe reported on the annual state Kiwanis convention which he attended recently as a local delegate in Pittsburgh.

**William E. Slifer Sent To Fort Dix**

Wm. Edward Slifer, son of Dr. and Mrs. Luther W. Slifer R. 2, is at Fort Dix, N. J., where he will undergo basic training preparation to entering the Neuro-Psychiatric Procedures Training School in January.

He is a graduate of Gettysburg College, class of 1960, and a member of the Sigma Nu fraternity. He graduated from Cass Technical High School, Detroit, in 1956, and Highland Park Junior College, Detroit, in 1958.

## "Texans Ought To Go To H--- If They Vote GOP" Says Mr. Harry S. Truman

**By JOE BENHAM**

SAN ANTONIO, Tex. (AP) — Harry S. Truman, who says Texans "ought to go to hell" and farmers "ought to lose everything they've got" if they vote Republican, says he plans to talk about religion in politics today.

The former president rounds out a tempestuous two-day visit to Texas with a speech at the Heart O' Texas Coliseum in Waco tonight.

His schedule also calls for a visit with former Vice President John Nance Garner in Uvalde and a barbecue and conference with Texas Democratic leaders at Sen. Lyndon B. Johnson's LBJ Ranch.

Waco is one of the bastions of the Baptist Church.

**LAUGHS, CHEERS, APPLAUSE**

Truman is a Baptist. A number of Texas Baptists have opposed the candidacy of John F. Kennedy, the Democratic presidential nominee, because he is a Roman Catholic.

## ELKS DONATE INHALATOR TO FIRE COMPANY

The Gettysburg Lodge of Elks presented a \$550 inhalator, respirator and aspirator to the Gettysburg Fire Department at a dinner in honor of the district deputy grand exalted ruler in the lodge dining room Monday evening. The presentation was made by James Warren, exalted ruler of the local lodge. It was accepted "with our most sincere appreciation" by Daniel P. Miller, chairman of the right color combination board of the fire company.

Although the dinner was given in honor of Clarence C. Kefel, Lancaster lodge, the district deputy, members of the ambulance board were also guests: Glenn Weishaar, Julius Swope, G. Henry Roth and Glenn E. Raffensperger.

Other guests were Charles Eiters, Chambersburg, vice president of the South Central District of the Elks from the state association; George Blaine, past district deputy, and Robert M. Clevenger, president of the South Central District.

**FIVE ARE INITIATED**

At a meeting of the lodge after the dinner nine candidates were initiated and Kegel spoke on behalf of the grand exalted ruler, John E. Fenton. Kegel said:

"The slogan this year is 'Do a much better job at a time when America is demanding the best from all of us.' The grand exalted ruler has outlined a three-point program: Membership, new lodges and national foundation. This does not mean you should neglect the other projects your lodge has been promoting for many years, especially the youth activities, student assistance and others."

"Our membership goal in the district is a 10 per cent increase. Statistics show that all lodges lose

## LIONS PUSH BENEFIT GRID GAME PLANS

The Lions' charity fund benefit football game on October 20 on the Gettysburg High School field between the freshmen teams of Gettysburg College and Temple University occupied the attention of the clubmen at much of their weekly dinner meeting Monday evening at the VFW home.

There were reports on advance ticket sales, sale of advertising space in the football program and assignment of duties to Lions for the evening of the game. Tickets for the game are on sale by club members. It is the club's chief fund-raising effort of the year with all proceeds going into the charity fund.

Secretary Harold Ecker announced seven members of the club have had perfect attendance records for the last year: Kenneth Dengler, Richard Folkenroth, John Kendeheart, Cloyd Shetter, Donald Ullrich, the Rev. Charles E. Held and J. Herbert Weikert.

**TWO SPEAKERS**

Mrs. Roy W. Gifford addressed the club briefly in the interest of the "trick or treat" program of UNICEF in connection with the 10th anniversary of the "world's

## TO REDEDICATE SCHOOL NOV. 13 IN EAST BERLIN

Sunday, November 13, was set as the date for the dedication of the remodeled East Berlin school building at the October meeting of the Bermudian Springs Joint School Board Monday evening at York Springs. President Raymond Leer presided at the meeting with 25 directors present.

The board also decided that the annual banquet for employees and directors of the joint school district shall be held the second week in November. Progress on the new Bermudian Springs High School building was reported but no completion date has been set.

Supervising Principal Amos D. Meyers reported to the board the terms of the application he is making to the state for continuation of supplemental appropriations and listed the following as goals being set for next year in Bermudian schools: a full-time librarian for the high school, an additional home economics teacher to teach vocational homemaking, an extra clerical worker, closing of all substandard school buildings and expansion of the remedial and developmental reading programs.

**ELECT EXAMINERS**

The board approved changes in bus routes, primarily in Reading and Huntingdon Twp., to relieve overcrowded buses and accommodate new pupils.

Beginning a series of talks to be presented at future school board meetings, John Rebert, high school guidance counselor, reported on the guidance and testing program in the schools and

## Political Debate At SUB Wednesday

A debate on the issues of the 1960 political campaign will take place at 8 o'clock Wednesday evening in the Student Union building auditorium, Prof. William Darrach of the faculty and Robert Grele of the student body will represent the Republican side and Prof. James Pickering and James Emerson of the student body will represent the Democratic side.

Following the debate, a Democratic film called "New Frontiers" and a Republican film on Nixon's travels will be shown. The public is invited to attend.

## Five Motorists To Face Code Charges

Robert P. Snyder, justice of the peace, has sent 10-day notices to the following motorists:

Wayne A. Schultz, Gettysburg, on a defective muffler charge filed by state police.

Herbert Bowling, Biglerville R. 2, on charges by borough police of failing to stop at a stop sign and failing to stay on the right half of the highway.

Earl E. Fuhrman, Manchester, Md., R. 1, on a red-blinker violation filed by borough police.

A. G. Livingston, Lancaster R. 2, on a red blinker light violation filed by borough police.

**STRIKES TELEPHONE POLE**

Katherine Sharrah, Orrtanna, reported to borough police that she struck a telephone pole about 1:10 p.m. Monday in front of the Victor Products plant on N. Washington St.

**APPLY FOR LICENSE**

Gerald Robert Leathery, Dillsburg, and Winifred Lenore Spangler, Aspers, have filed application for a marriage license in Harrisburg.

## Two Biglerville Seniors Praised

Two Biglerville High School seniors have received letters of commendation for their superior performance in the National Merit Scholarship qualifying test given last spring.

Charles L. Yost, principal of the Biglerville High School, said the students who received the commendations from the merit scholarship corporation are Sarah L. Fox and Clara E. Miller.

John M. Stalnaker, president of the merit scholarship corporation, said the letters of commendation are being awarded to 28,000 students throughout the U.S. in recognition of their excellent performance on the test. "While these bright youngsters did not reach the status of semifinalists in the 1960-61 merit program they are so outstanding that we wish to single them out for special attention. The semifinalists and commended students together constitute less than three per cent of all high school seniors and this certainly signifies noteworthy achievement."

## SAYS BELGIAN CONGO PEOPLE ARE PRIMITIVE

Many of the people of the Belgian Congo are of the most primitive type, Dr. Earl Griswald, assistant professor of sociology at Western Maryland College, Westminster, told the Rotary Club at its meeting Monday evening at the YWCA.

Recently returned from a four-month tour of the Belgian Congo where he was sent by the Methodist Church to evaluate the work of Methodist Missions there, he showed numerous slides taken in the interior of the Congo showing the primitive condition of life there.

The missions of all churches are doing a good job of meeting the needs of the primitive people of the Congo, Dr. Griswald held. Noting that the people of the interior of the Congo to a large extent use no tools at all in their agriculture, he held that they could increase their productivity tremendously by being given the most primitive of tools, hoes, scythes, etc., and by being taught the use of those tools.

**NIGERIANS TRAINED**

While Leopoldville and other cities are highly advanced, the people of the interior are still

## Dr. A. M. Wasilifsky To Address Alumnae

Dr. Adolph M. Wasilifsky, chairman of the Humanities Department at Saint Joseph College, Emmitsburg, will attend the meeting of the Woodrow Wilson Foundation Friday at the Emerson Hotel, Baltimore.

On Saturday, Dr. Wasilifsky will speak on "New World of Our Future" at the fall meeting of the Baltimore chapter of the Saint Joseph College Alumnae Association at the home of Mrs. Martin F. Knott.

**STONER RITES TODAY**

Funeral services for Upton J. Stoner, 78, Gettysburg R. 3, who died at the Warner Hospital Saturday morning, were held this afternoon at 2 o'clock at the Bender Funeral Home with his pastor, the Rev. Dr. Howard S. Fox, officiating. Interment was made in the Hillcrest Memorial Gardens. The pallbearers were Larry Showers, Clyde Funt, William Carey, Irving Eicholtz, Wilbur Danner and Guy Foulk.

## 11 TREATED FOR INJURIES AT HOSPITAL

Eleven persons were treated at the Warner Hospital recently for minor injuries received in accidents.

This morning Rodney Cook, 20, Chambersburg, was treated for contusions of his left chest. His wife, Jo Ann, 19, received treatment for contusions of the nose and Shirley Zeis, 18, also of Chambersburg, was treated for contusions of the nose and lip and a broken tooth. All were injured in a one-car accident near Hillcrest Memorial Cemetery, Lincolnway West.

Those treated Monday included: Samuel F. Cool Jr., 11, R. 5, fracture of the left arm received during a physical education class at school; Paul Matthias, 9, son of Mr. and Mrs. Robert Matthias, 303 Hanover St., lacerations of the upper lip; Donna Folkenroth, 11, daughter of Mr. and Mrs. Donald Folkenroth, R. 2, contusions and lacerations of the left middle finger suffered when her finger caught in a door at school; Ralph Bivens, 12, son of Mr. and Mrs. Samuel Bivens, R. 2, contusion of the left index finger and laceration of the left middle finger received while using an axe; Pauline Perchulyn, 22, 415 S. Washington St., an employee of Essex Wire, laceration to the right side of the chin; Burton Withrow, 59, R. 1, burns of the left hand sustained while welding last week, and Leon Lentz, 20, Fayetteville, an employee of the Penn-Moc Co., Fairfield, who suffered amputation of the tip of his left ring finger while working. The tip was sewed back on his finger.

Ronald Bowers, 15, R. 5, was treated Saturday for a fracture of the left collarbone received while playing touch football.

## Charles Grakelow, Past GER, Expires

Charles H. Grakelow, 80, Philadelphia, a past grand exalted ruler of the Elks, died at his home on Sunday.

He was well known in Gettysburg, having visited the Gettysburg Elks lodge on several occasions.

Funeral services will be held Thursday afternoon at 1 o'clock at the William H. Battersby Funeral Home, 3316 N. Broad St., Philadelphia.

## U.N. Refuses To Surrender Lumumba To Mobutu Force

LEOPOLDVILLE, The Congo (AP)—The United Nations today refused to surrender Patrice Lumumba to the forces of Col. Joseph Mobutu.

The Congolese Provisional Government had demanded that the U.N. permit arrest of the deposed premier for unauthorized political activities.

Congolese officials threatened a military assault on Lumumba's home if the United Nations refused to permit Lumumba's arrest by 3 P.M. today.

That deadline passed with Lumumba still safely in his residence, with U.N. and Congolese troops standing by.

The United Nations announced Lumumba was under U.N. protection and that he could be arrested only if his parliamentary immunity was lifted by a vote of the Congolese parliament.

A U.N. statement said political dignitaries of the central government "have enjoyed protection of the U.N. without consideration as

## Three Couples Get Marriage Licenses

The clerk of the courts issued marriage licenses today to the following couples:

William L. Bell, son of Mr. and Mrs. Melvin D. Bell, McSherrystown, and Miss Charmaine D. Brown, daughter of Mr. and Mrs. John Preston Brown, Hanover.

Kenneth E. Kuhn, Hanover, son of Eugene F. and the late Mrs. Dorothy Kuhn, York, and Mrs. Joan M. Cornblower, daughter of Mr. and Mrs. Charles W. Cornblower, New Oxford R. 1.

George E. Hale, 209 Baltimore St., son of Mr. and Mrs. John I. Hale, Cumberland, Md., and Miss Anna Mae Nave, daughter of the late Cromwell and Mrs. Montra S. Nave, Cumberland, Md.

## RUINED POOL IS BASIS FOR DAMAGE SUIT

Charles C. Rider Jr., McSherrystown, has brought suit in county court against Cyprian N. Gebhart and Melvin L. Rodgers, both of Hanover R. 4, alleging they cracked his swimming pool while grading around it.

According to the complaint in the damage action filed in the prothonotary's office for Rider by Attorney Ronald J. Hagerman, Rider constructed a 40 by 20-foot swimming pool from May to September, 1959, in a woods in Berwick Twp. From August to September he put in 200 dump truck loads of fill around the pool. In October he filled the pool with water. During the winter he put in 25 logs to take care of expansion in event of freezing and placed a polyethylene sheet over the pool.

In March he put 40 dump truck loads of additional fill in the northeast corner of the area around the pool. Then in April, 1960, he drained the pool and washed it down. His pool, he said, was in fine shape at that time, the walls were intact and had no default.

**IT'S USELESS NOW**

Then on April 23 he hired Gebhart to grade off the fill around the pool. Gebhart sent his employee, Rodgers, to the scene with a caterpillar tractor with a "high lift bucket."

According to the complaint, Rodgers was negligent. The tracks of the caterpillar tractor "scraped and crumbled" the walls of the pool "in three places." The complaint alleges that in his tractor operation Rodgers "actually rammed the wall of the pool" and he graded "parallel" to the pool and "not diagonal as is customary."

Rider claims the tractor operation was "negligent and caused the western and eastern walls of the pool to buckle and crack in 11 places. Now the pool is useless, he claims, since the ground "washes in the cracks and the pool no longer retains water."

He asks damages "in excess of \$5,000."

## POLICE ISSUE UNDER STUDY

There will be a Halloween parade here October 26.

That was the general agreement following a four-hour long meeting of the safety committee of borough council Monday night at the engine house, although the committee still was in the dark as to whether it has come up with a legal solution to the impasse which has halted since September the borough's habit of employing extra policemen when needed.

There appeared to be agreement

## HOPE TO ADD ROOM TO GHS BUILDING PLAN

The Gettysburg Joint School Board Monday evening voted to seek state approval on a plan to add one room to the proposed plans for the new senior high school building.

The action was taken on recommendations from the board's finance and planning committee and from the architects who initiated the proposal.

The new room will be placed atop the boys' locker room and will be "much less expensive than other rooms" because two of its walls already are provided in the existing plans. An architect's representative said the room might cost "more than \$5,000" but "it would be very wise to add it now."

The room schedule for the new structure, approved by the state, was considerably smaller than local school officials had judged will be needed here in a few years. The cost of the extra room will not be reimbursable, the board was told, "but it will be a cheap room if it costs as much as \$12,000," one director said. Most rooms cost about \$20,000.

**FAVOR TAX REVISION**

On another recommendation of the finance and planning committee, the board authorized core borings to be made at the site of the new school, directly north of the present building.

The same committee recommended that the board notify the county commissioners that the local directors favor a study of occupation assessments to develop a "more equitable and more realistic" system than is in use now. The board approved the recommendation. In the discussion Superintendent H. Edgar Riegle pointed out that a third of the school districts in the county now levy an occupation tax. Only one of those districts is in the Gettysburg Jointure.

On the vote to send the letter to the county commissioners asking the tax study, all directors voted favorably except Maynard Stuckey of Franklin Twp. who asked that his negative vote be recorded in the minutes.

**OPEN BIDS**

The board opened bids for elementary visual education equipment, including projectors, a tape recorder, stands and other items

## HALLOWEEN PARTY HELD BY AUXILIARY

A Halloween party was held by the Women's Auxiliary of the Gettysburg Fire Department Monday evening in connection with its October business meeting at the engine house.

Prizes were awarded as follows: Funniest costume, Mrs. Joseph Sanders, Mrs. Francis I. Linn, Mrs. Charles Kerrigan ugliest costume, Mrs. Martin Crabbill, Mrs. Patsy Fetter, Mrs. William Gallagher; prettiest costume, Mrs. John Staub, Mrs. Frank Groff and Mrs. Douglas Knox; most original costume, Mrs. George Eberhart, Mrs. Glenn Raffensperger, Mrs. Robert Hartman and Mrs. Francis Garlach.

Plans were made for a rummage sale to be held at the engine house on E. Middle St. Saturday morning starting at 8 o'clock. Members were asked to bring articles for the sale to the engine house Friday evening.

**PLAN "COUNTRY FAIR"**

Plans were made for a "Country Fair" to be held at the engine house November 11 in connection with a program by the fire department at the engine house that evening. Mrs. Glenn Raffensperger, the chairman for the "Country Fair," asked donations of cookies, candy, cup cakes, dried foods and jellies from the auxiliary members.

The following committee was named for participation by the auxiliary in the Halloween parade October 26: Mrs. Donald McSherry, chairman, Mrs. George Eberhart, Mrs. Robert Redding, Mrs. Ray Breighner, Mrs.

## Solicitors Will Report Tonight

Solicitors for the Gettysburg Community Chest will make their semifinal reports this evening from 7 to 8:30 o'clock at the YWCA on Lincoln Square, Campaign Chairman Paul B. Fox has announced.

Canvassers were asked to make at least partial reports at tonight's meeting "so we can determine just where we stand at the present time," Chairman Fox said.

## CLASSES ARE OFFERED FOR TEACHERS HERE

Adams County school teachers will "go back to school" starting Wednesday evening for a series of "in-service teacher education programs" being conducted under the National Defense Education Act.

Elementary teachers will meet at Keefauver School here Wednesday evening at 7:30 o'clock for a course on "Using Science to Capture the Interest of the Elementary Child" and "Using the Outdoors in Teaching Elementary Science." The teacher for the teachers will be Dr. Herman Kranzer of Temple University.

On succeeding Wednesday evenings the courses will include a visit to the planetarium at Dickinson College for a discussion of "The Universe" by Dr. Henry Yeagley and sessions at Keefauver School on such themes as "The Climate and Weather," "Chemistry and Physics in the World Around Us" and "The Geology of Our Area."

While the elementary teachers of the area meet here for their evening classes, high school mathematics teachers from the area will be meeting on Wednesday evenings at the Chambersburg Senior High School on "Mathematics For Teachers." The program calls for the showing of a series of 44 training films on mathematics with two films to be shown at every other meeting of the teachers. On the alternate meetings the teachers will discuss what they saw in the preceding films under direction of faculty members of the Shippensburg State College Department of Mathematics.

## 2 PERSONS WIN FLORIDA TRIPS

Charles E. Swope, New Oxford R. 2, and Dorothy M. Straley, E. King St., Littlestown, were awarded seven-day expense-free trips to Florida at an "open house" by Warren Chevrolet, Lincolnway East, Friday evening.

Warren's displayed the 1961 series of Chevrolets, Corvairs, Corvettes and trucks in connection with a men's and ladies' fashion show, narrated by Miss Patricia Orris. More than 2,000 attended the "open house" to see the new Chevy line and the fashion shows, which were held at 7:30 and 9 p.m.

In addition to the trips, 12 turkeys were given out as door prizes during intermission. Stewart Tait, sales manager of Warren's, was in charge of the evening's program. Also attending were: Drew McNichol, zone manager of the Chevrolet Motor Division; Dell Mathis, assistant zone manager, and Robert Henry, truck zone manager, all of Harrisburg, and Arthur Friemuth, district manager at York.

## Decorator Joins Raymond's Staff

N. S. Goodling, York, a veteran in the furniture business, has joined Raymond Home Furnishings as interior decorator and salesman.

Goodling came here from Lead-er's furniture store in Jacobus, where he served seven years as interior decorator and salesman. He had previously been employed as decorator and treasurer for Runkle's Furniture Store. He has also had considerable experience as a buyer.

"Goodling will be available for consultation on interior decorating, carpeting, and furniture without cost," J. Herbert Raymond, proprietor, said today.

Raymond has been in the furniture business for 38 years.

## DEGREE FOR IKE

TOKYO (AP) — Nihon University, one of Asia's largest, today conferred on President Eisenhower the degree it had planned to give him during his visit last June.

U.S. Ambassador Douglas MacArthur II accepted the honorary doctorate of laws for the President, whose trip to Japan was cancelled because of violent leftist riots against the U.S.-Japan security treaty.

and turned them over to the property committee for study with authority to award contracts subject to board approval next month. Similar action was taken on bids for three electric water coolers for use in the old section of the high school.

### PROMOTING MERGER

Superintendent Riegle reported to the board that more than four weeks after schools opened this fall, written approval for the use of Lincoln School for one year was received from the state.

Mr. Riegle also reported on plans being made to inform the public about the upcoming merger vote in the Gettysburg Joint School district. He said public hearings are planned and speakers are available for organization meetings. The "speakers' bureau" includes Mr. Riegle, Richard A. Folkenroth, elementary coordinator; Paul Burkholder, Eisenhower School principal; Kenneth G. Reinhart Jr., school business manager, and Clifford B. Snowberger, high school principal.

On recommendation of the superintendent, the board added the name of Harry G. Lousier III, to the list of approved substitute teachers.

### \$60,000 PAYROLL

The board authorized purchase of a small-sized used cello and string bass for use in the string music program in the grade schools. Mr. Riegle said about 45 youngsters already are enrolled.

Business Manager Reinhart told the board the school district's monthly payroll is now approaching \$60,000 per month and said regular payments from the member districts are necessary to keep funds on hand for operation.

Bills totaling \$18,908 were approved for payment. The board heard a letter read from C. C. Collings, Philadelphia, advising the services of an investment firm before the new bonds for the high school are marketed.

### MONTHLY REPORTS

The monthly report of the school district treasurer showed an October 5 balance of \$46,803 after tuition payments of \$26,000 and expenditures of \$75,480. The school cafeterias operated 23 days in August and September and the high school served an average of 915 students and 34 adults daily and had a profit of \$347; Keefauver and Meade Schools served 591 students and 40 adults with a loss of \$317, and Eisenhower and Lincoln Schools served 665 students and 29 adults daily with an operating loss of \$169.

President Ralph W. Guise presided at the meeting.

to stop after his tractor-trailer was involved in a collision on the Lincoln Highway.

### OCCUPANTS INJURED

According to testimony, Cassavino, 54, driver of a tractor-trailer loaded with brick, pulled from the parking lot at the Tick-Tock service station atop Mt. Newman into the path of a westbound car operated by S. Q. Meckley, 66, Fayetteville R. 1, and in which Mrs. Meckley and the Rev. and Mrs. George Graeff, Fayetteville R. D., Caledonia, were passengers. All of the occupants of the car were injured in the crash.

The testimony by the car occupants was that they saw the tractor-trailer when only about "15 to 18 feet" from the rear wheels of the trailer. Their car struck the wheel and then caught fire. At first they were busy getting out of the car. The Rev. Mr. Graeff put it: "The fire was the important thing then." When they looked around they discovered the tractor-trailer had disappeared.

State policeman Elmer Soprano testified he later stopped Cassavino at the Blue Mountain interchange of the turnpike.

Cassavino's attorney, Atty. Gerald Walmer in his statement to the jury at noon, prior to opening the defense this afternoon, said Cassavino did not deny having pulled out of the Tick-Tock parking lot onto the highway at the time, but had no idea any accident had occurred until the policeman told him.

that the Halloween parade could be held and that sufficient police could be employed to control traffic in accordance with a plan worked out by the burgess and chief of police Monday afternoon.

Council President Glenn Guise had several solutions to the police issue, which are now being studied by attorneys to see if they meet with the state and local laws.

Guise said if the suggestions are legal, a special meeting of council will be called in about a week to act on the recommendations, but "if any problems come up, we'll have to wait until the next regular meeting and thrash it out."

For years the town solved its extra police problem by having the burgess declare an "emergency" each month and hire "extras" to carry out part-time police duties.

In September it was decided that the town could hardly have a permanent emergency and that the problem must be solved.

## "SEEDS OF DOUBT"

Not that I don't believe you yet, I am not quite sure what you are saying sounds OK... but somewhat insecure... though seeing is believing... I can't believe my eyes... in fact, the thought occurs to me... I may not be so wise... for once a person lies to me... I weigh each thing they say... trying to be positive... before I make my play... it matters not how trivial the case may seem to be... the lock is on my humble heart... and I have lost the key... that's how things are and I confess... sometimes I think I'm wrong... the seeds of doubt are planted now... where they do not belong.

## FAMILY PROGRAMS

"Family programs are also good. We have found that lodges which have family programs are the most successful.

"So I suggest if your lodge is not already inviting the wives and children to participate in Elks activities such as picnics, dances and other activities, you do so now for the good of your lodge and the order.

"On the subject of new lodges, the goal is one new lodge in each district by March 31, 1961. All indications are that we will institute one at West Shore this year.

"The Elks National Foundation is the heart of our charity work and should be taken more seriously by our members. It does the fine and noble deeds which your own thoughts have suggested frequently, but which you never have found time to perform.

"Rehabilitating handicapped children and aiding them to become useful citizens is wonderful. Other good projects are:

"Providing hospitalization for tuberculosis patients; assisting the ambitious, well qualified youth to obtain higher education through scholarships; administering emergency educational funds for the benefit of children of Elks where there is need on account of death or incapacity of Elk parents."

Following his address Kegel showed 68 color slides illustrating the "good work" being done by the Elks.

most warm-hearted effort" of children helping children around the world. She described how the gifts to UNICEF are matched by countries receiving them and how the money is used to give food and medicine and other benefits to needy children in underdeveloped countries.

Two donations from the charity fund were announced: \$20 to Oscar Anderson for treatment of a child being aided by the Lions and \$17 to Dr. W. S. Mountain for glasses for an unidentified person.

The program for the evening was an illustrated talk on South America by Edward Murphy of Hanover. He showed pictures he had taken on a 1956 tour of the continent.

There was a meeting of the board of directors after the club session. Howard Maxwell and Jack Oyler were club guests. Sixty attended.

## School Nurse Is Speaker For PTA

Mrs. Esther M. Crist, school nurse for the Fairfield schools, spoke on "The Role of the School Nurse in the School Health Program" at Monday evening's meeting of the Fairfield PTA at the Fairfield High School.

During a business session, numerous suggestions were made concerning projects that might be carried out by the PTA. No final action was taken. The executive committee was asked to make recommendations later.

Mrs. James H. Hammett, chairman of the program committee, gave a report on topics for the meetings during the winter months. At the November 14 session, she said, George B. Inskip, supervising principal of the school, will speak on "Our School Plan for Present and Future Expansion." Mrs. William Rombin was named president of the organization to fill the vacancy caused by the resignation of the president elected last year who has since moved from Fairfield. Due to the absence of Mrs. Rombin because of illness Monday night, Vice President Bil Gilbert presided.

## SMITH SERVICES HELD

Funeral services for Howard D. Smith, 68, Gettysburg R. 1, who died last Thursday evening at the Warner Hospital, were held Sunday afternoon at 2 o'clock at the Bender Funeral Home with his pastor, the Rev. Dr. Paul L. Reaser, officiating. Interment was in Evergreen Cemetery. The pallbearers were Charles, Robert, Lewis and Frederick Heyser, William Stansbury and Willie Burcham.

Area of the Pacific Ocean is 63,801,700 square miles.

## DELONE DOWNS BIGLER SCRUBS

A pair of pass interceptions for touchdowns and a blocked punt gave the Delone Catholic High junior varsity football team a 24-0 victory over the Biglerville Jayvees Monday afternoon at Biglerville.

In the first period Bobby Conrad ran 60 yards for a Delone score after intercepting a pass.

The Squires added two more TD's in the second period. Ed Keffer scrambled 40 yards after picking off a pass and Frank Linn, end, smashed through to block a Biglerville punt and recover in the end zone.

After a scoreless third period Delone notched its final tally when Dick Wierman broke away on a 50-yard run.

Biglerville (1-2) will play at York Suburban next Monday afternoon at 4 o'clock. Delone (3-1) plays at Hanover on October 26.

11, 1872, he was chosen to fill this

office by a majority of just six

votes. Election day at that time

was on the second Tuesday in

October. Singularly enough, the

day of the week for this thirty-

eighth anniversary is the same as

that on which the election oc-

curred.

Engineer Asleep Kills Brake-

## Today's Talk

MAN PROUD OF HIS HERITAGE

I am reading one of the most

inspiring books that has come my

way in a long time. Its title is

"The Road I Came" by that dis-

tinguished author of books, and

lover of all that is good, Paul

Jordan-Smith.

It's a book to read leisurely—

hungrily for it is about people, the

early days in Virginia, all about

a proud and happy family, about

freedom in the youth of this

writer, and a story about a man

proud of his heritage and inspir-

ing background.

For years Paul Jordan-Smith

has reviewed thousands of books

and written many a good one

that has driven many a man like

myself to buy scores of worth-

while books. As an author, here

is a man who "gets under your

skin" and into your heart.

This latest book of Paul Jordan-

Smith is characteristic of the man

and writer. It's a big tome, but

the author has a lot to tell! Any-

one interested in the early days

of Virginia, and America will

want the book, for in a sense it

is a book for every intelligent hu-

man being. Much of it I discov-

ered to be news to me and it will

be the same to you who will read

the book.

Many a near classic has been

discovered by this kindly and en-

thusiastic lover and writer of

books. We need this new one to

add to the list of other excellent

Jordan-Smith books.

Tomorrow Mr. Adams will talk

on the subject: "Wrappings"

Just Folks

PROUD

Say, you little wide eyed fellow,

You are scarcely two months old;

And you may not know your daddy

Thinks you're worth your weight

in gold,

And you may not know that when

he

Takes you up and starts to sing,

That he is happier and prouder

Than some European king.

You have scarce begun to notice,

And of course you cannot see

You're the source of all the

gladness

That is bubbling out of me.

And of course you do not know it,

If you did, you wouldn't care,

Having you, your grim old daddy

Envises no mere millionaire.

Why, your gurgling and your

going

Beat the sound of klinking gold,

And your eager call for dinner

Is the sweetest story told.

And I reckon since I've got you,

And have seen your little smile,

That I've got the only gladness

On the earth that is worth while.

HANGOVER AND  
COMMON COLD  
NOT LIKED  
BY SCIENCE

NEW YORK (AP)—The com-

mon cold and the uncommon

hangover have one thing in com-

mon—science has found no sure

quick cure for either.

So far the only real solace avail-

able to the victim of either ail-

ment is the realization that if he

makes the best of his ordeal it

will finally go away.

No one knows when the first hu-

man being caught the first com-

mon cold, or when the first man

came down with an uncommon

hangover. But both afflictions

have been known throughout re-

corded history.

NONE REALLY WORKS

There are men who wouldn't

give a dime to discover a cure

for the common cold who would

gladly—at least on some mem-

orable mornings—give a million

dollars for a genuine and im-

mediate hangover cure.

In the folklore of drinking there

have been as many cures for

hangovers as there have been for

the hiccups. Everybody has a cure

—or has heard of a cure—but

none of them really works.

## Battling Bucs Need One More Victory To Capture Series; Favorites Now

By JOE REICHLER

Associated Press Sports Writer  
PITTSBURGH (AP) — Casey Stengel said it just right—if you overlook the grammar.

"Well," observed the New York manager Monday after Pittsburgh's 5-2 triumph, "we gotta win the next one or we ain't gonna be playing ball no more."

That's the way the World Series picture was today, the Pirates needing just one more victory to eliminate the Yankees.

## BOUNCE BACK TO LEAD

After absorbing two terrific shellacks in a row, the battling Bucs bounced back with two victories in the enemy's own ball park to take a 3 to 2 lead in the best-of-seven set.

Just two days ago, the odds-makers were laying 5 to 1 on the Yankees to win the series. Today, they're giving odds of 4 to 1 on the Pirates.

Bob Friend, Pittsburgh's 18-game winner, is Danny Murtaugh's pitching choice for the sixth game Wednesday. Stengel said he would decide later today between Bob Turley, the fast-ball righthander, and Whitey Ford, the curve-ball left-hander.

## LAW FOR 7TH GAME

If a seventh game is needed, Murtaugh will call on Vern Law, the only pitcher with two victories in this series. Ford or Turley, which ever doesn't pitch Wednesday, will start the payoff game, provided the Yankees even the series.

Stengel, who only a short time ago was aiming for four straight following Pittsburgh's opening game victory, admittedly had his worries today.

The belief is that Casey has got to go with Ford. Once this summer, Casey had run out of pitchers and Ford volunteered to pitch with two days rest. The 31-year-old Yankee stopper came through with a 1-0 victory over the Baltimore Orioles.

Ford, in his only start in this series, blanked the Pirates on four hits last Saturday.

## FRIEND LOST BEFORE

Friend pitched last Thursday and was charged with the 16-3 debacle in the second game. He gave up six hits in four innings before he was taken out for a pinch hitter with Pittsburgh trailing 3-1. The strong-armed right-hander, however, struck out six.

Murtaugh said he would start the same lineup if Turley should be the pitcher. Against Ford, Murtaugh will use Hal Smith behind the plate in place of Smokey Burgess.

Harvey Haddix, with the help of Elroy Face, put the Pirates in a commanding position Monday before 62,753 Yankee Stadium fans. The 35-year-old left-hander had a three-hit until the seventh when he weakened and gave up singles to Tony Kubek and Hector Lopez.

## DITMAR SHELLED EARLY

Face, for the third time in the series, came on and stifled the Yankees the rest of the way.

Art Ditmar, for the second time in the series, was shelled from the mound early. The tall right-hander, who was kayoed in the first inning of the opener was knocked out in the second inning this time.

Bill Mazeroski's two-run double was the finishing blow in a three-run Pirate uprising, triggered by Gil McDougald's error.

A double by Dick Groat and a single by Bob Clemente scored one in the third, off reliever Luis Arroyo. Pittsburgh's final run came in the ninth off Ryne Duren on Smokey Burgess' single, an error, a wild pitch and Don Hoak's single.

The Yankees scored in the second on a double by Elston Howard and two infield outs. Roger Maris' home run in the third, his second of the series, closed out the Yankee scoring.

## Series Shorts

By SHELDON SAKOWITZ

Associated Press Sports Writer  
NEW YORK (AP)—Figuring the series:

The only player on both squads who has failed to see action in the series is pitcher Eli Grba of the New York Yankees. Pittsburgh hurler Harvey Haddix was the 25th Pirate to crack the lineup in Monday's game.

Relief specialist Elroy Face, who has saved the three Pittsburgh victories, was credited with 15 saves in the National League campaign. He relieved 68 times and posted 10 triumphs to go along with his "Face saving" chores.

Art Ditmar of the Yanks, in absorbing his second defeat of the series, tied the record for most games lost in a series that went either six or seven games.

Harvey Haddix, taking notice of pitcher Vern Law's two hits in Sunday's Pirate success, produced a single in three at bats Monday. It came as no surprise to Pittsburgh followers, however, as Haddix went 17-for-66 during the year for a .258 batting average.

The Yanks' Mickey Mantle has drawn seven bases on balls and eight strikeouts—each one short of equalling records for a six-game series. Babe Ruth walked eight times in a six-game series in 1923 and Jim Bottomley of the Cards fanned nine times in the 1930 series that went six games.

## ALBRIGHT SET FOR BULLETS ON SATURDAY

READING — Albright College's football team will bid for its fourth straight win in as many starts when it meets Gettysburg here Saturday night.

The Lions made it three in a row for 1960 and seven straight in two seasons by defeating Drexel Tech 34-6 last Saturday in Philadelphia. It was Albright's first Northern College Division, Middle Atlantic Conference contest. The Lions won division honors with a 6-1 record last fall.

Chapman, Matto, Olivo and Mike Varano, senior halfback from Ocean City, N. J., have been operating as Albright's No. 1 backfield. The forward wall comprises Gary Sheeler, Middletown, and Claude Lynch, Ephrata; William Ballentine, Pluckemin, N. J., and George Reagan, Palermo, N. J., tackles; Robert Meyer, East Rutherford, N. J., and George Seighman, Mt. Pleasant, guards, and Robert Guglielmino, Bloomfield, N. J., center.

## SET FIVE MARKS

Statistics for the first three games show Albright gained 1,066 yards, 646 in rushing and 420 via its aerial attack. Opponents are credited with 539 yards, 290 on the ground and 249 in the air. Olivo, 127 yards, and Matto, 111 yards, lead the Lions in rushing, while Chapman has connected on 19 of 32 forward passes for 369 yards, seven touchdowns and no interceptions.

Lynch and Olivo share the individual scoring leadership, each with 24 points. Jack DeLorenzo, Dover, N. J., freshman quarterback, converted on 13 of 15 place-kicks after touchdowns for the best showing in this department for Albright in recent years.

Gettysburg holds a 14-2 lead over Albright in this football rivalry. Four games ended in ties. The Bullets won 12-6 in 1959. Albright's last win over Gettysburg came in 1952 7-0. Gettysburg won the last seven contests. Albright has rolled up 106 points in three games, defeating Muhlenberg 31-7; Thiel 41-18 and Drexel 34-6. Gettysburg will come here with a 1-2 record. The Bullets defeated Juniata 26-0 but lost to Bucknell 14-7 and to Lehigh 52-21.

## UNSUNG STAR OF SERIES IS MR. CLEMENTE

By TED MEIER

Associated Press Sports Writer  
NEW YORK (AP)—The unsung star of the World Series?

That phrase could well apply to Roberto Clemente, the Pittsburgh right fielder with the rifle arm.

The point was emphasized in the Bucs' dressing room after Monday's 5-2 victory which gave them a 3-2 edge over the Yankees in the series.

Scores of reporters surrounded pitchers Elroy Face and Harvey Haddix, as well as shortstop and Captain Dick Groat and Manager Danny Murtaugh. Off to one side Clemente sat in front of his locker.

## CLEMENTE PLEASED

Yet here was the player whose bullet throwing arm had stopped the Yankees from taking an extra base on hits to his territory, a feat that contributed mightily to Pittsburgh's three victories.

He beamed as his hrowing arm was compared to the famed one of Hazen (Kiki) Culver, who played the same right field for the Bucs in 1925 when they won the world championship by beating Washington and hall of fame pitcher Walter (The Big Train) Johnson.

## STATING A FACT

"Sure," Roberto grinned happily. "Nobody can run on me." He did not say it in a boastful manner. He was just stating a fact.

Clemente put the fear into the Yankee base runners in the very first series game in Pittsburgh. In the second inning after Yogi Berra and Moose Skowron had singled with none out, he gathered in pinch hitter Dale Long's fly and just missed doubling Berra at second with a rifle peg.

"We discovered then," Yankee Manager Casey Stengel said later, "that they have a good right fielder."

## BALKED YANKEES

In Sunday's fourth game his arm again played a vital role as the Bucs squared the series.

In the seventh inning of Monday's game face of Clemente's arm played a key role in balking the Yankees.

With one down Tony Kubek singled to right on the first pitch, but Kubek, after rounding the bag, hustled back to second. Had he been on third when McDougald, the next batter, forced Lopez, he would have scored. That would have made it 4-3 Pittsburgh and who knows what would have happened after that?

## ELECT TWO TO HALL OF FAME

DUNEDIN, Fla. (AP) — Mike Brady, one of the most active of professional golf's old timers, and Jimmy Demaret, youngest of the middle-agers, are new members of the PGA Hall of Fame.

Their election, by a vote of FGA members, was announced today by Harold Sargent, president of the Professional Golfers' Association of America. A third Hall of Famer will be chosen this year by a vote of those who already are members. All three will be inducted at the PGA annual meeting in Phoenix, Ariz., next month.

## BASED ON ABILITY

Election to the Hall of Fame is based on lifetime playing ability. Only players 50 years or older and retired from active national competition are eligible.

Brady, 73, is a native of Brighton, Mass. He was one of the first great American born golf pros. From 1906 through 1925, he won 38 important tournaments and twice tied for first place in the National Open, only to lose the playoffs.

Demaret, colorful in garb and in personality, became a professional at the age of 17 and followed the PGA tour for 20 years. He was the first player to win the Masters Tournament three times.

## FACE SAYS HE'S READY TO GO IN 2 MORE GAMES

By WILL GRIMSLEY

Associated Press Sports Writer  
PITTSBURGH (AP) — Elroy Face is an off-season carpenter whose special project this week is fashioning a coffin for the mighty New York Yankees.

"I'm ready to go against them tomorrow and the next day, too, if I'm needed," the Pittsburgh relief pitcher ace said today. "They look like just any other club to me."

Renowned as an iron man who pitched in nine successive games and won 22 in a row over a two season period in 1958-59, the mild, slightly built upstate New Yorker said he gets his pitching endurance from swinging a hammer.

## SAYS HAMMER HELPS

"I come from a family of carpenters," he added. "My father was a carpenter. I studied carpentry. During the off-season, I refinish basements and do other building."

"Swinging that hammer, I figure, gives me more strength in my right arm."

Apparently it puts some mettle in his heart, too. He has shown an utter lack of fear of the vaunted Yankee power in saving three games for the Pirates and sending his team into the sixth game Wednesday leading 3-2.

## HAS RESPECT, NO FEAR

Brashness and cold confidence characterize this 5-8, 160-pounder who seems to take a fiendish delight out of whizzing his fork ball past the bats of Mickey Mantle, Yogi Berra and company.

"I respect 'em all, but fear none," he said.

When he was signed for pro baseball career in 1949, a Philadelphia Philly scout, Fred Matheys, told him he would be lucky to make it in Class D ball because of his age (21) and size.

"I guess I fooled him," said Face. "Here I am in the World Series."

Elroy is not only in the World Series. Up to now, from the rabid Pittsburgh viewpoint, he is the World Series.

## Smith and Cannon Leading League

DALLAS, Tex. (AP) — Houston's Dave Smith is pulling away from the field in American Football League running but the greatest progress made last week was by the late-starting Billy Cannon, also of Houston.

Smith leads the league with 291 yards on 58 runs. Cannon, the former Louisiana State All-American, has swept from fifth to second with 227 yards on 44 carries.

George Blanda, Houston quarterback, still leads the scoring with 49 points.

## Jessen On Vacation From Golf Circuit

SEATTLE (AP) — Ruth Jessen of Seattle said today she is taking an enforced vacation from the professional golf circuit because of an ulcer.

"I don't know whether it was a long bout with the flu or too many missed putts," Miss Jessen said. "But I'm going to quit the tour at least until the first of the year."

## BIG 10 AFTER OLE MISS IN GRID RATINGS

By THE ASSOCIATED PRESS

Three Big Ten teams are among the nine leading challengers for Mississippi's No. 1 spot in college football and the oft-repeated contention that the Big Ten plays the toughest schedules of all is in for a test in the next couple of weeks.

Mississippi regained the top place in the voting of the Associated Press panel of 48 newspaper, TV and radio football experts when 1959 national champion Syracuse barely beat a winless but fired up Holy Cross team 15-6.

## OLE MISS IMPRESSIVE

Ole Miss, impressive in its 26-0 victory over Vanderbilt Saturday night, polled 19 of the 48 first place votes and 428 points on a 10-9.8 etc. basis. Iowa, Ohio State and Syracuse followed in that order and monopolized the rest of the first place ballots.

Iowa had 17 firsts and 411 points, Ohio State 8 and 385 and Syracuse 4 and 362. A week ago Syracuse drew 28 of the votes for top place. Minnesota gained 10th place in the balloting.

## TUFTS BACK CITED AGAIN

NEW YORK (AP)—A couple of tough small college fullbacks, Ron Deveau of Tufts and Joe Iacone of West Chester State, dominated the press box polls this week for the Eastern College Athletic Conference "Sophomore of the Week" award.

Deveau, small for a fullback at 5-9 and 170 pounds, came out on top for the second time this season. He was the unanimous choice as outstanding player of the game when Tufts trimmed Trinity 22-0. He scored twice and rushed for 138 yards to bring his three game total to 371 yards.

For West Chester, unbeaten in four games, Iacone jolted Millersville for 125 yards on 19 carries and raised his season total to 601 yards.

Others nominated included Jay Kreider, Lebanon Valley guard; Bruce Krunkle, P. M. C. fullback; Ron McCoy, Delaware halfback; and John Norwood, Lehigh quarterback.

Meanwhile, five Pennsylvania players were named to the weekly All-East team of the ECAC. They were Art Hahn, Muhlenberg tackle; Mike Serncheski, Lehigh tackle; Dick Dundee, Pennsylvania Military College guard; Jim Kerr, Penn State halfback; and Vern Magnuson, Lebanon Valley halfback.

HARRISBURG (AP)—The Bucs will be back in Pittsburgh Wednesday trying to nail down the World Series baseball title but their loyal fan, Gov. Lawrence, won't be in the stands at Forbes Field.

Previous commitments and the reconvening of the on-again, off-again legislative session Wednesday will mean that the chief executive will miss the six and, if played, the seventh game of the Yanks-Pirates battle, his office said.

## HIGH SCHOOL GRIDDEERS IN 17-GAME SKEIN

By RED B. WALTERS

HARRISBURG (AP) — Football fortunes have thrust a little Berks County school into sudden prominence in Pennsylvania scholastic competition.

Wyomissing has won 17 straight and now holds the longest winning string in schoolboy ranks. The Warriors, who completely dominate the Inter-County League in southeastern Pennsylvania, should make their string 21 by the end of the season.

At the start of this season, a streak of much "modest" duration wouldn't have attracted much attention statewide, but such long-run unbeaten as Braddock, Richland Twp., Johnstown, Ambler and Northampton since have fallen by the wayside, leaving little Wyomissing leading the pack.

## LANCASTER HAS STREAK

Springdale and Lancaster each have won 15 straight, while Wilkes-Barre Meyers has won 13 and Clifton Heights 11. Springdale was helped along by a technicality which reversed its 12-0 loss to Blairsville in its opening game this season and awarded the game to Springdale on a forfeit. Blairsville had used an ineligible player.

Clifton Heights will have a struggle this weekend against Philadelphia Suburban iv conference rival Ridley Park to keep its string at the latter's home field, but the other teams on this long-winning list appear pretty safe for another week.

The other activity in the various regions this coming week shapes up this way:

## OTHER GAMES

EAST—Morrisville will test Nesaminy's might in a Lower Bucks contest while the Buxmont will have a top scrap when Central Bucks, 71-0 victor over Upper Perkiomen last week, takes on Pennridge, a team that has only a 19-19 tie with Allentown Allen blotting its record.

In the Wyoming Valley, Swoyerville and Kingston, unbeaten in Wyomissing Valley play, tangle in the conference's biggest game so far this season.

There will be considerable betting points at stake when Mount Carmel and Coal Twp. meet in the big East Penn Southern Division game of the week. Berwick, which humbled Hazleton, 35-0, last Saturday to re-establish itself as a leading contender in the division, meets neighborhood rival Bloomsburg in a nonconference

MIDSTATE GAMES

MIDSTATE—Harrisburg Harris and York meet in the first big showdown of the Central Penn season. Harris scored an impressive 14-0 victory over city rival McDevitt Saturday to reassert itself as the leading team in the area.

Sayre, having all but wrapped up the Roosevelt Trail title with its 20-6 victory, tries to preserve its unbeaten (one-tied) record in a home game with border rival Waverly of New York.

Lock Haven, after disposing of Huntingdon rather easily, travels to Lewistown to take on an improved Panther squad, but the big game in their common area of the state will be the Chief Logan-Bald Eagle Nittany game. Chief Logan, itself unbeaten, will provide a severe test of Bald Eagle's all-winning record.

WESTERN GAMES

WEST—The pace slackens off this week in the WPIAL-AA, except for the Clairton-Monessen match. These are two of the seven teams still in the fight for the championship.

In the northwestern corner, Erie East, emerging as about the best in its area, meets a tough challenge in Erie Tech, while Franklin of Section II gives Grove City of Section III plenty to worry about. Kane matches its unblemished record against Bradford.

## PLAN BREAKFAST

The annual Holy Communion breakfast was planned at the monthly business meeting of the Holy Name Society of St. Aloysius Catholic Church held following the church service Sunday evening. The breakfast will be served by the women of the church on Sunday, November 13, in the parish hall. The society members will attend the 7:30 a.m. Mass prior to the breakfast. There will be reception of new members. Arrangements are in charge of John R. Rudisill Sr. and Thomas French. Thomas C. McSherry will secure a guest speaker.

Stewart N. Long, president, presided at the meeting and heard the reports of Laurence Altoff, secretary, and Thomas Dutler, treasurer. Following a report by Francis Smith on prices, etc., it was decided to purchase a bicycle rack for the parochial school. The rack will be built by Charles E. Slusser. There was a discussion on the Saturday night public parties sponsored by the society. It was announced that the quarterly meeting of the Southern Regional Holy Name Union will be held on Sunday at St. Joseph's Church in Dallastown. The Rosary will be recited in the church at 2:30 p.m. The meeting was postponed from last Sunday due to the 150th anniversary observance at St. Patrick's Church, York. The meeting was opened and closed with prayer by the Rev. Fr. Thomas F. Lawler, assistant pastor.

Politics  
REPUBLICAN-DEMOCRAT

By ARTHUR EDSON

**EN ROUTE WITH NIXON (AP)**—Vice President Richard M. Nixon is putting new stress on an old issue as he makes his bid for the winning of the West. Everywhere Nixon goes he talks peace, and every time he talks peace, he gets applause.

Nixon, encouraged by the reception and the apparent endorsement of a Mormon Church leader he got in Utah, moved on today to Albuquerque, N.M., and then to San Diego in an attempt to round up California's bloc of 32 electoral votes.

In Salt Lake City Monday Nixon got what sounded like the blessing of President David O. McKay of the Church of Jesus Christ of Latter-day Saints.

Two weeks ago McKay seemed unusually friendly to Sen. John F. Kennedy when he dropped by to pay his respects.

But Nixon got more than a friendly greeting.

"I told your competitor," Mc-

opened with a group hymn accompanied by Judy Flinchbaugh. Preliminary plans were discussed to have a hayride for members and guests on a future date. A group game was enjoyed. Judy Flinchbaugh, president, appointed Thomas Stavelly to be leader for the meeting next Sunday at 6:30 p.m.

The officers and teachers of the Adult Department of Redeemer's Sunday School will meet on Wednesday at 7:30 p.m. in the church social hall.

The monthly meeting of the Ladies' Aid Society of St. John's Lutheran Church has been advanced one week, from October 27 to Thursday, October 20, due to Halloween. The meeting will be held at the church and the hostesses will be Mrs. George W. Strevg, Mrs. Paul Bowers and Mrs. Donald Reaver.

**PITTSBURGH (AP)**—Sen. John F. Kennedy told Democratic leaders from 60 cities Monday night that the Republican administration has "a shameful record" on urban problems.

The Democrat presidential candidate spoke at a conference called "The Kennedy Conference on Urban Affairs."

Eleven mayors and some 600 other municipal representatives also heard Gov. David Lawrence

Key informed Nixon, "that if he is successful in November, we would be behind him. I say to you today that I hope you are."

## CALLED ENDORSEMENT

Elated Utah Republicans who heard it regarded the statement as an endorsement, unprecedented in church history.

Republicans, who thought the state was leaning toward Nixon anyway, now figure that with the McKay statement Utah's four electoral votes are in the bag.

Both candidates have worked the peace issue in this campaign—naturally, they're both for it—but Nixon seems to put unusual stress on it.

## PARTY OF PEACE

In Salt Lake City in the huge Mormon Tabernacle, he again attempted to make the Republican party the party of peace.

Nixon said of the American people: "They can be forever grateful to Dwight D. Eisenhower that he got us out of one war, that he kept us out of any others, and that there is peace without surrender in the world today."

The capacity crowd of 8,000 cheered.

Earlier, in Denver, he put it this way: "President Eisenhower has stood for peace. He's always been willing to go the extra mile, to negotiate, but he has also stood for principle, and that is what we must do—firmness without belligerence."

and U. S. Sen Joseph S. Clark (D-Pa).

## OUTLINES PROGRAM

Kennedy said a paper published, recently by Vice President Richard Nixon used a lot of newspaper space but said "very little."

The Massachusetts senator outlined his party's program for helping cities cope with problems of renewal, housing, air pollution, mass transportation and recreation.

The cost of increased federal aid he proposed, Kennedy said, would "far less than the enormous cost of slums, traffic jams, crime and delinquency and the economic decline in downtown areas."

## CRITICISM BY LAWRENCE

He also asked for creation of departments on the cabinet level to guide all federal activities in connection with urban development and metropolitan planning.

Earlier, the conference heard Gov. Lawrence criticize the present administration's handling of urban problems.

"We know that the Eisenhower administration has regarded all the federal programs which help cities as an unwelcome legacy of the Democratic administrations which preceded it," Lawrence said.

"We seek national leadership which will recognize that there is truly something wrong when we boast of private affluence and ignore public squalor."

Sen. Clark also criticized the Eisenhower administration and told of the Democratic party's plans to solve urban problems.

**PHILADELPHIA (AP)**—The Philadelphia Eagles' team physician says halfback Billy Barnes should be ready to play against the Detroit Lions next Sunday at Franklin Field.

Barnes was injured in the first period of last Sunday's 31-27 victory over the St. Louis Cardinals. He came back for one play in the third period and then sat out the remainder of the game with a charley horse in his upper right leg and a bruised ankle.

JACK BENNY  
READIES FOR  
NEW TV SERIES

By BOB THOMAS

AP Movie-TV Writer

**HOLLYWOOD (AP)**—There was much to do when Gracie Allen retired from show business. Not generally known is the fact that her close friend, Mary Benny, has been virtually retired for almost a decade.

This was disclosed by Jack Benny as he prepared to kick off his 11th and most strenuous season in TV. He'll face it without Mary, except for a brief appearance on his first show next Sunday.

"I needed a scene in which someone would scold me for going on TV every week," Jack explained. "Mary was the only one who could do it, because she is the only woman who has a close relationship with me. She agreed to do the short scene, but not before an audience, of course. She gets nervous even without an audience."

## STILL IMPORTANT MEMBER

While Mary has given up performing, she's still an important

member of the Benny team. "I always take decisions to her, because she has great insight," Benny said.

Benny is embarking on a weekly TV grind though he is 27 years beyond his legendary 39. He doesn't need the money. He doesn't need the fame. So why does he do it?

## MORE SENSE

"I think it makes more sense in building an audience," he explained. "Before, no one knew exactly which week I was on; I didn't even know myself. It was hard to maintain a rating, because people who liked my show might not like the alternate show, and vice versa."

"Besides, I like to work. I've always been a little show crazy. Bob Hope and I often argue which of us is the worse in that regard. We both hate long vacations."

**CHICAGO (AP)**—William A. world Macy, 72, religious educator and a leader in the world church movement, died Sunday.

## The unmistakable stamp of Greatness!

In commerce, as in art, it is rare indeed that a creation emerges so inspired in concept and so flawless in execution that it is destined, at the outset, for certain greatness.

And yet, it seems not too soon to say that the Cadillac car of 1961 will take its place among the most memorable achievements of the automotive craft.

Its clean, classic form introduces a new look for the world's motor cars to emulate. There's a new proportion of glass to steel

... a new "oneness" of contour and shape ... a new relationship of interior to silhouette.

Inside, the story is equally remarkable. Here is new roominess in every dimension. Head room, seat height, and entrance room, for example, have been notably increased with impressive results in greater comfort and luxury for driver and passengers.

And as its beauty is ... so its performance does—increasingly nimble and quick ... smooth and floating ... quiet and obedient.

Cadillac's new engine is the very essence of controlled power ... steering is feather light and sure ... and Cadillac's new ride seems to make the roadway literally vanish beneath the wheels.

This is one car you must see and drive for yourself. The facts are simply too numerous and too exciting to accept second hand.

It's the 1961 Cadillac—and we know that you'll agree that true greatness is written all over it.

## U. S. TO HAVE MORE TROUBLE ON U. N. VOTES

By WILLIAM N. OATIS  
UNITED NATIONS, N.Y. (AP) —The United States will have a harder time getting together enough votes to pass resolutions on cold war issues in the U. N. General Assembly.

This was shown Saturday when the Assembly, for the 10th straight year, approved a U. S. resolution to defer the issue of seating Communist China. The resolution squeaked through by a mere eight votes. That compared with 15 a year earlier and 35 in 1952. The tally was 42-34, and there were 22 abstentions.

Plainly, what the Soviet Union calls the Americans' "mechanical majority" no longer worked. Soviet Premier Khrushchev himself said on TV Sunday night, "There will come a time when the United States will be in a minority."

**SOME SHIFTS**  
What is the reason for this trend? Why did support of the United States on the Red China issue slip from 44-29 last year to 42-34 this year?

For one thing, Malaya and Laos shifted from "yes" to "abstention." Cuba and Ethiopia from "abstention" to "no."

But the biggest danger to the U. S. majority was seen in the actions of 16 new U. N. members — 15 African countries and Cyprus. Thirteen abstained. The other three — Mali, Nigeria and Senegal — voted against the American resolution.

**NEW MEMBERS ARE KEY**  
If nine of those 13 abstainers vote with those other three next year, the United States will lose — and the Assembly will be open to proposals to seat Communist China.

In 1955, 16 new members were taken into the United Nations. The percentage voting in the Assembly in favor of the U. S. moratorium resolution skidded from 77 to 66. This year another 16 came in — and the percentage slipped to 56.

The United States must woo the new delegates — invite them to parties, go to their parties, persuade them, compromise with them. The Soviet Union will be wooing them just as hard.

**POSITION WAS STRONGER**  
The United States once was in a strong position because it was

## QUEEN HAS CUT, BRUISES

PERTH, Scotland (AP)—Queen Elizabeth II appeared at a public function Monday with two large bruises and an angry-looking cut on her right leg.

Buckingham Palace could give no information on the injuries. "We have absolutely no idea of the cause nor can we check. The only medical bulletins ever issued are on advice of her doctors. The chances of finding out anything officially are absolutely negligible," a palace spokesman said.

There was speculation the queen might have been bitten by one of her pet dogs, notable for their truculence, even toward royalty. Or perhaps, others said, the queen might have had difficulty with a horse. The queen is a great horse lover and while on vacation at Balmoral Castle often goes riding.

The queen was here to open a new bridge over the River Tay. Prince Philip, her husband, was with her.

Western Pennsylvania and Western New York—Temperatures will average 4 to 6 degrees above normal. Cooler Tuesday and Wednesday, then a rising trend for the remainder of the period. Precipitation less than .1 inch, occurring as widely scattered showers Wednesday and Saturday.

Eastern Pennsylvania, South-eastern New York and New Jersey—Temperatures will average near normal to about 4 degrees above normal with little day to day change. Little or no rainfall is expected during the period.

Middle Atlantic States — Temperatures will average from near normal to about 2 or 3 degrees above normal. A little warmer Tuesday and Wednesday. Somewhat cooler Thursday and Friday, followed by warmer again on Saturday. Little or no rain expected.

linked with a large majority of the U. N. membership through military alliances and was giving economic or military aid to others.

But recent new members are not allied to the United States by military pacts. And the United States has given up economic leverage on them by announcing that it favors channeling aid to Africa through the United Nations — rather than providing it on a nation-to-nation basis.

## NEW BUICKS ARE DISPLAYED AT WARREN'S

Big car comfort and styling are combined with the economy of the small car in Buick's new sedan, special powered by the first American aluminum V-8 engine in the auto industry. The special is mounted on a 112-inch wheelbase, 188 inches long and weighs some 1,600 pounds lighter than conventional size Buicks. That is about 2,700 pounds.

The new Buick series is displayed at Warren's Chevrolet, Lincolnway East.

The special comes in two-body styles, a four-door sedan and a four-door wagon with a de luxe conversion offered in each. A new dual path turbine drive transmission is offered as optional equipment along with power steering and air conditioning.

Among the features in the new Buicks this year are: a turbine drive transmission reduced by six inches in length, greatly lowering the transmission hump and increasing passenger room in the front; all regular size cars are shorter and narrower than last year's models; the new dual-path torque converter transmission, as optional equipment; the leather interiors offered in the four-door Invicta custom hardtop, and the increased trunksize by relocating the gasoline tank forward and stowing the spare tire on the trunk shelf.

## RESTYLED WINDSHIELDS

Windshields have been restyled, and doors, both front and back, open wider for easier entrance and exit. The rear deck is virtually flat and blends into the fender lines. Coil springs on all four corners of the car are continued on the 61 models. The control arm suspension system with shock absorbers inside the front springs for greater protection against road hazards uses rubber insulation mounts extensively both front and rear.

The transverse muffler system has been improved and is used in

The clean, sweeping lines of Buick's 1961 styling is epitomized in the LeSabre series with its landau-type roof and the new design of its windshield. Extensive engineering and styling changes provide more headroom and greater passenger comfort. Doors open wider for easier entrance and exit and interior room has been increased

## Fleeing Burglar Is Shot To Death

PAOLI, Pa. (AP)—A man who police said was attempting to burglarize a pharmacy with a companion was shot to death Monday by officers when he tried to escape after being caught.

Major Thomas Devlin of the Tredyffrin Township Police said the man, tentatively identified as Garland T. Smith, 19, Philadelphia, was dead on arrival at Bryn Mawr Hospital.

The officer said the companion was William Whitby, 40, of Philadelphia. Whitby said he did not know the dead man.

Both are negroes.

Devlin said marijuana was found in the possession of the dead man. He said he believes the men were in search of narcotics.

## AWAIT COURT DECISION FOR ADJOURNMENT

By JACK LYNCH  
HARRISBURG (AP) — Legislative leaders are awaiting a State Supreme Court decision on the Philadelphia vote probe question before deciding whether to adjourn finally after their return from a recess Wednesday.

A ruling by a Philadelphia Common Pleas Court judge that the Senate lacks the power to investigate voting irregularities in the Quaker City has united Republicans and Democrats as nothing else has in recent years.

They regarded the decision by Judge Francis X. McLaughan as an attack on the basic functions of the General Assembly.

Atty. Gen. Anne X. Alpern, a Democrat, agreed and personally appealed to the Supreme Court Sept. 26 to reverse McLaughan's ruling.

## MAY RECESS AGAIN

Without a decision by the high court before Wednesday another recess of the Legislature was in prospect.

Sen. Robert Fleming, R-Allegheny, Senate caucus chairman, heaped praise on Miss Alpern for her "complete and comprehensive" defense of the Legislature.

"It is my personal thought that we will be guided strongly by Miss Alpern," he added.

Rep. Stephen McCann, D-Green, House Democratic floor leader, indicated he would go along with another recess if the question isn't resolved, but pointed out the Legislature could not pass corrective legislation this year.

He said Democrats would like to adjourn, but added:

"I don't know that the Republicans would want to adjourn unless the court hands down a favorable decision."

An average of nine million Americans each day are unable to work, attend school, keep house or follow their usual activities because of illness or injury.

# 11 Die In Weekend Accidents; Boy, 17, Smothered In Mud

By THE ASSOCIATED PRESS

A traffic accident on the Schuylkill Expressway, one of the eight highway fatalities throughout the state over the weekend, marked the fourth death in a week on the expressway and the 15th this year. The victim was Clementino Castante, 65, of Philadelphia, who was killed Sunday in a two-car collision on the 18-mile superhighway which connects Philadelphia with the Pennsylvania Turnpike at the Valley Forge Interchange.

Three more persons died in other accidents, making the overall toll from 6 p.m. Friday to midnight Sunday 11.

## SMOTHERED IN MUD

One of these victims was Reuben McGowan, 17, of Upper Chester Township, near Philadelphia, who smothered Sunday in a pool of mud while working in a 12-foot deep ditch. The sides of the sewer trench he was digging

collapsed after a water main had broken and flooded the ditch. Edward J. McLaughlin, 40, of Twin Oaks, McGowan's employer, grabbed the youth's hand as the water flooded into the ditch and he tried to pull him to safety. He lost his grip and the boy was sucked under the mud.

A young girl and a young man were killed in separate auto accidents both resulting when the cars failed to negotiate curves and went over embankments. The victims were Miss Wilma J. Remeter, 18, of Ridley Park, killed Sunday as she returned from a wedding reception in an auto driven by a 19-year-old boy, and Joseph Lemasters, 21, of Industry R. 1, Beaver County, fatally injured Saturday night near Midland.

## OTHER VICTIMS

The other victims: Saint Marys—William Blesel,

# Soldiers Ring Lumumba Home

By DAVID MASON

LEOPOLDVILLE, the Congo (AP) — Col. Joseph Mobutu, the Congo's strong man, appeared today to have nipped in the bud the latest move by flamboyant Patrice Lumumba to rally public support.

After the deposed premier's trip through Leopoldville's native quarter Sunday night, Mobutu Monday ordered Lumumba's residence ringed with 200 Congolese soldiers.

There was a brief scuffle as soldiers drove back several dozen Lumumba supporters with rifle butts. One shot was fired into the air. Ten of the pro-Lumumba crowd were taken into custody. One or two were reported slightly injured by the rough and determined action of the soldiers.

Mobutu told one of his officers: "Nobody must go in or go out." As soon as Mobutu left, Lumumba walked out on his balcony and shouted: "I am not a prisoner. I am still master. The people are still with me."

FLIES TO GERMANY

Sp 6 Stewart J. Meinhart, U.S. Regular Army, left by jet plane after spending a month's leave with his wife, the former Rosanna Weikert, and their son, S. Armstrong-Jones has agreed to supply some of his pictures for a new biography of the fashionable Italian artist Annigoni, painter of Queen Elizabeth II and Princess Margaret.

TAIPEI (AP) — President Chiang Kai-shek today reviewed crack Chinese Nationalist armed forces he was he believes will help overthrow the Chinese Communists on the mainland "within three or five years at the most."

Chiang was visibly proud as more than 13,000 men passed by in a parade honoring the 49th anniversary of Sun Yat-sen's revolution.

when the car he was driving hit a bridge abutment on Route 11 near here. Two friends were injured.

25, of St. Marys, killed Saturday when his car hit two other autos involved in a rear-end crash near this Elk County community.

Slippery Rock — Miller Montgomery, 63, of Slippery Rock R. D., killed Saturday in a rock fall at a small coal mine in Slippery Rock Township, Butler County.

Hanover — Mrs. Mary Ecker, 52, of York Springs R. 2, killed Friday night by a truck as she crossed a street.

## TRACTOR-TRAILER CRASH

Indiana — William Palmer Jr., 39, of Blairsville R. 2, killed Saturday night when two cars collided on Route 22 near here. Two persons were injured.

Darlington — Donald Armstrong, 22, of Darlington, killed Sunday when his car and a tractor-trailer collided on Route 51 near this Beaver County community.

Prospect Park — Frank Happ, 44, of Norwood, drowned Saturday night in Darby Creek off this Delaware County community. A woman companion said he fell out of his 15-foot outboard boat. His body was recovered from 50 feet of water near the dock where he moored the boat.

# FIRE DESTROYS 7 BUSINESSES

MAHANOY CITY, Pa. (AP) — A pre-dawn fire Monday destroyed seven business establishments and two homes and damaged four other double structures in the downtown section of this Eastern Pennsylvania community.

Mahanoy City firemen got help from nearby Shenandoah and Tamaqua.

Police said residents of the homes and apartments above the business establishments fled safely.

Unofficial estimates placed the damage around \$300,000. In all, 13 families were left homeless. Most lived in apartments.

Firemen said a defective furnace in the Rainbow Cafe apparently had exploded. The fire raced up through the walls of the cafe, a corner building on Center Street, and spread to the other structures along a 195 foot frontage.

The cafe was part of the estate of Herman Coffee. He was killed in a fire about two years ago.

# News Briefs

WASHINGTON (AP) — Gov. Leroy Collins of Florida Monday was elected president of the National Association of Broadcasters at a salary of \$75,000 a year.

The election, by NAB's 43-member board of directors, fills a vacancy created by the death last March of Harold E. Fellows who headed the organization for nine years.

Collins will take over the presidency next January, when his term as governor expires.

LITTLE ROCK, Ark. (AP) — Minutes after his daughter had been crowned as queen of the Arkansas State Fair, W. L. Clark, 47, died of a heart attack.

Clark, prominent Hot Springs civic worker, suffered an attack Saturday night when Vikiann Clark, 18, was named queen. His wife said he suffered the fatal attack in a Little Rock hospital a short while later.

Two of the families affected had also lost their possessions.

# SAVE GIRL WITH HEROIC EFFORT

BRISTOL, Pa. (AP) — A 13-year-old boy and a school principal today were credited with helping save a 3-year-old girl who was among six persons thrown into the Delaware River when a 14-foot outboard motorboat sank.

Kenneth Shanefield, 24, of Torresdale, Pa., operator of the boat, Bernard Diamond, 33, of Bustleton, his wife, Julie, 34, and their three children, Bonnie, 7, Michael, 5, and Diane, 3, were in 20 feet of water on Sunday about 50 feet off shore when the boat suddenly sank, stern first, after apparently being swamped by the wash from a larger craft.

## HEROIC EFFORTS

Diamond, principal of the Somerset Park Elementary School in Levittown, N. J., said his two children are good swimmers and he shouted to them to tread water while he helped his wife and 3-year-old child.

# Pickets Lift Ban At Struck Plant

SCHENECTADY, N. Y. (AP) — The striking International Union of Electrical Workers permitted nonstrikers to enter the General Electric Co. plant here Monday for the first time since the union posted pickets last Thursday.

John Shambo, president of Local 301, said the local's executive board had decided Sunday it would be unfair to continue barring salaried workers because salaried workers were entering struck GE plants elsewhere.

Shambo also said the local had proved that it could close the plant, which is GE headquarters. Last week, city officials declared a state of emergency after violence.

The union estimated at least 3,500 pickets were on duty today but said they had been instructed not to bar entry.

# Partners in Community Health Care

There are over 40 different job classifications represented on the staff of a modern hospital—more than 200 employees for each 100 patients.

Many of the skilled technicians are never seen by the patient, but their services make up the hospital "team" which contributes a variety of professional skills to your well being when you are hospitalized.

No wonder then that nearly 70 per cent of your hospital bill goes for providing professional services—the kind of care which cannot be handled by automation procedures.

Today, with inflation pushing hospital expenses upward, Blue Cross is your best protection against

a sudden illness, because it expands to meet rising hospital costs.

Blue Cross and the hospitals are partners in providing community hospital care—joining hands to be of more service to more people.

You are looking at the trend-setting car of our times, the '61 Ford . . . a car whose clean and classic profile is unmatched by any other in the world. Just one glance at the Big Circle taillights and sculptured rear deck, one look at the crisp, fresh front-end design and you'll know the '61 Ford is the classic style of the Nineteen Sixties.

Here is a Ford that is not only new in looks and ride and comfort, but new in its entire concept. The '61 Ford is actually built to take care of itself! It lubricates its chassis . . . cleans its own oil . . . adjusts its own brakes . . . protects its own body.

Indeed, here is a car that will save you valuable time and money by doing away with many steps for service.

HERE'S HOW THE '61 FORD TAKES CARE OF ITSELF . . . THE FIRST 1961 CAR DEALER-WARRANTED FOR 12,000 MILES OR ONE FULL YEAR

Lubricates Itself. You'll normally go 30,000 miles without a chassis lubrication. Cleans Its Own Oil. You'll go 4,000 miles between oil changes with Ford's Full-Flow oil filter. Guards Its Own Muffler. Ford mufflers are double-wrapped and aluminumized—normally will last three times as long as ordinary mufflers. Adjusts Its Own Brakes. New Truck Size brakes adjust themselves automatically. Protects Its Own Body. All vital underbody parts are specially processed to resist rust and corrosion, even to galvanizing body panels beneath the doors. Takes Care of Its Own Finish. New Diamond Lustre Finish never needs wax. Warranty. The '61 Fords are built to meet three principal goals: finest quality, greatest durability, most reliable operation. Expressing their complete confidence that this has been accomplished, Ford Dealers led the industry in extending their warranty on '61 Fords to 12,000 miles or one full year, whichever comes first. # BEGIN FIGHT FOR REVERSAL ON RACE LAW

HARRISBURG (AP) — The Lord's Day Alliance of Philadelphia has begun its fight to reverse a lower court decision that the state's new harness racing law is constitutional.

An exception was filed in Dauphin County Court Monday to the court's ruling of Sept. 21 upholding the 1959 law.

Robert D. Abrahams, counsel hired by the religious organization, said it would be up to the court to determine the next step.

"If the court will hear rearguments, we'll reargue," he said. "If they don't want rearguments, we'll appeal to the State Supreme Court. Whatever the court wants we'll do."

The exceptions basically reiterate the points raised by the group when it filed the original suit challenging the law. The petition said the decision was contrary to existing laws and against the facts in the case.

The law authorizes counties to hold referenda on the question of whether pari-mutuel betting will be permitted at harness race tracks within the counties. Six counties approved the question in last April's primary.

## How To Hold FALSE TEETH More Firmly In Place

Do your false teeth annoy and embarrass you when you eat, laugh or talk? Just sprinkle a little FASTEETH on your plates. This alkaline (non-acid) powder holds false teeth more firmly and more comfortably. No gummy, gooey, pasty taste or feeling. Does not sour. Checks "plate odor" (denture breath). Get FASTEETH today at drug counters everywhere.

## 'A Dirty Trick' On Republicans

CINCINNATI, Ohio (AP) — Marshall Douthett, president of the Young Republican Club of Pickaway County, says it was "a dirty trick."

Kenneth Shepler, chairman of the County Democratic Executive Committee, says "I don't know anything about it. Such tactics do not meet with my approval."

Douthett repeatedly dialed a number Sunday to listen in on the day's GOP political message, paid for by the Young Republicans.

Getting nothing but a busy signal, he asked Keith Wagner, district supervisor for the General Telephone Co., to investigate.

Wagner did—and discovered a prior call had been placed from Democratic headquarters by someone who left the receiver off the hook.

COLOGNE, Germany (AP) — Chancellor Konrad Adenauer acknowledged publicly today that there are differences between West Germany and France.

He did not say what the differences were, but it was assumed he was referring to President Charles de Gaulle's insistence that France preserve final control over her armed forces and not integrate them completely into the 15-nation NATO alliance.

Adenauer, speaking during the 30th anniversary celebration of an automobile factory, said his talks last weekend with Premier Michel Debre of France were "intensive and strenuous," but we parted good friends despite differences.

NASHVILLE, Tenn. (AP)—Eugene L. Stritch, 75, retired vice president of the National Life and Accident Insurance Co., died Monday of a stroke. He was a brother of the late Samuel Cardinal Stritch of Chicago.

## Train Kills Son As Mother Watches

LOS ANGELES (AP)—A panic-stricken mother, stalled at a railroad crossing, saved one son Monday night but lost another when a passenger train plowed into her car in North Hollywood.

The car was carried three-quarters of a mile by the Southern Pacific Coast Daylight, bound for Los Angeles.

Lynn Nine, 22, of North Hollywood, told police she stalled and panicked when the wooden arm of the automatic crossing guard came down as the train approached.

She said she ordered her son Jeffrey, 2, to jump and leaped out herself with her son Michael, 4 months. She said she raced back to try to save Jeffrey but the train beat her to the car.

WASHINGTON (AP)—Anne Bell Thatcher, wife of former Rep. Maurice H. Thatcher, R-Ky., died Monday of injuries suffered in a fall Sept. 12 at Plymouth, Mass.
